

COVID Secure procedures/terms of use

Effective 1/9/2021

We are delighted to be able to welcome you to Friesland School.

We have procedures and requirements in place, in order to keep everyone as safe as possible. Please share this information with all relevant parties. Your staff are responsible for ensuring anyone involved with your letting follows these procedures.

We take the safety of both yourselves, our staff and our students very seriously. We will not hesitate to suspend sessions if we feel hirers are not acting in a COVID Secure manner.

Due to the dynamic nature of being COVID Secure, these procedures may change from time to time. The most up to date version will be posted on our website www.friesland.ttct.co.uk/information/lettings and will be sent to hirers.

Risk Assessments

We are still requiring hirers to provide COVID risk assessments prior to hire commencing. Existing hirers should provide an updated version as soon as possible, taking into account recent changes to guidance and legislation.

Restrictions

All our restrictions have been lifted. Our one-way systems have been removed and spectators for the 3G site can now use the spectator area within the 3G perimeter. All football hirers can now have spectators.

Keeping healthy and safe on site

Please do not come on to the Friesland site if you:

- have coronavirus or symptoms of coronavirus
- are awaiting the results of a PCR test
- have been told by NHS Test and Trace to self-isolate
- Staff, coaches etc should ask any participant to leave who has coronavirus or symptoms, awaiting PCR test results or been told by NHS Test and Trace to self-isolate
- Please sanitise your hands regularly - there are sanitising stations at/in the main facilities around site
- Indoor users - please ventilate the room you are in, by opening windows and doors. The ventilation system will be operational in the performing arts centre but we suggest you open windows and doors as well
- We recommend you maintain a safe distance from others and the use of face coverings where you cannot keep a safe distance from others
- Please avoid sharing equipment and supplies where possible, including personal items such as water bottles

NHS Test and Trace

Please encourage all your staff, coaches, players and spectators to participate in NHS Test and Trace. Please scan the QR code posted around the site with the NHS COVID-19 app each time you visit our site.

Keeping healthy and safe on site

- Users are responsible for providing and using their sanitising supplies. We have hand sanitising stations available the entrance/exit to our facilities
- Please wipe down Friesland equipment at the end of your session with sanitising wipes

- All persons should avoid touching surfaces on site where possible, for example gates, grab rails, etc.
- Ensure you have your own First Aid supplies, PPE supplies (where relevant), means of contacting
- emergency services. We cannot provide access to school supplies and equipment
